FREQUENTLY ASKED QUESTIONS

- Q** Why does the Fair need a Foundation?
- A** The Foundation is free to accept donations and endowments, acquire land, make building improvements and can implement projects that are not feasible under the state's umbrella. The Foundation can also secure our fair funds for our fair in fiscally unstable times.
- Q** Doesn't the Fair make enough money on its own?
- A** The County Fair provides an opportunity for many of Amador County's non-profit organization to raise funds but alas, it does not make enough money on gate admissions and other fees to be self-sustaining.
- Q** Is my donation tax deductible?
- A** Yes, the Fair Foundation is a 501(c)3 non-profit corporation.
