"To Forever Enhance Our Standard as the #1 Small County Fair"

Howdy Folks! We are 'Back in the Saddle Again' here at the #1 small county fair!

What a year it has been! When I joined the Fair Team over a year-and-a-half ago, I never imagined that we would be faced with such a trying year as a nation, a community, and as your Amador County Fair. We would like to thank you for your continued support though these unprecedented times. Your continued commitment helped to provide some truly bright spots for our community throughout the year; from being able to provide our youth the opportunity to show and sell their livestock projects virtually when a live show and sale was not possible, to being a valued attendee of our sold-out drive-in movie nights this fall. We could not have made these events possible without your support!

Was the "Silver Lining" to spending more time at home this year creating, growing or raising something new this year? Why not enter it in the fair! This book will outline how to share your best work and see how it stacks up against others in our county. Is it 'Blue Ribbon' material? You will never know if you don't enter!!

Bring us your best July 29- Aug 1, 2021 and come out and enjoy the fun as we get "Back in the Saddle Again" at the Amador County Fair!

With deep gratitude, we at the Amador County Fair thank you for your continued support of this community treasure.

Sincerely,

Richard Hoffman, CEO
