BUYER RESOURCES

We know this new approach will generate a lot of questions for buyers on how they can purchase online. So we have put together a Q & A document that you can provide them to help with those questions. The buyer informational documents can be found and printed by going to the fair website under the Fair Info Tab, Buyer Info.

BUYER LISTS

A buyer's list can be obtained through your club leader/advisor, or by emailing the entry department at entries@amadorcountyfair.com. Do not post this list on any webpages or social media. We strongly encourage you to write and mail buyer's letters this year to promote your Jr. Livestock project(s).

Additionally, the Amador County Fair staff and volunteers can be reached for assistance at entries@amadorcountyfair.com or (209) 245-6921.
