

Welcome Friends to the 2021 Amador County Fair

Welcome BACK to the Amador County Fair!

There's an old saying that "absence makes the heart grow fonder" and that is certainly true for all of us at the Amador County Fair! We sorely missed the smell of corndogs and flowers, the glow of the Ferris wheel towering over us at night, the heart-pounding excitement of the destruction derby, and a wild 8-second ride. We missed the sounds of live music, snorts from restless hogs in the barn, the announcement of our newest queen, and the pop, pop, pop of sputtering old engines. We missed the smiling faces of the children in our opening day parade and hugs from old friends along the midway. Long story short....WE really missed YOU!

I would like to take a moment and acknowledge the hard work that was put in by our Junior Livestock Committee, and countless volunteers who executed an online auction for our Jr. livestock kids. Even though it was an incredibly challenging year our community continued to come through for our kids. I would also like to take a moment to acknowledge our fair staff who faced the uncertainty of our fair's future with incredible grace, and our Foundation Board who continued to raise funds and took advantage of our downtime to make much-needed improvements on the grounds. Not all was lost!

Before we open this next chapter, I would also like to acknowledge the passing of our beloved former CEO, Ralph Clark. Ralph was one of the most respected figures in the fair industry, a Western Fairs Hall of Fame recipient, a mentor to so many, and a friend to us all. We plan to honor Ralph every single chance we get during this year's fair so please join us in celebrating his legacy.

As for our newest chapter, how exciting it is for me to serve as this year's Fair Board President a position that was held by my Grandfather Harold Colburn a founder and director for decades. With this incredibly challenging year behind us and a new CEO, Mr. Rich Hoffman, at the helm I can't help but feel like the 2021 Amador County Fair might just be the best fair yet!

Welcome "Back in the Saddle, Again"!
