3- MAN LOCAL CATTLE PENNING RULES: **LIMITED TO THE FIRST 30 ENTRIES** **NO POST ENTRIES ALLOWED**

Open to residents and producers of Amador and Calaveras Counties.

Horses may be cross-entered from other divisions. A team consists of three (3) riders. Each rider may enter twice, however the same team may not enter twice. Riders may only enter twice if class is not full, they are on the official waiting list, and they are entered with a different partner. Within a 2.5-minute limit, a team must cut out from the herd and pen three head of cattle with the assigned (same) identity number. The fastest time wins.

A team may call for time with only one or two assigned cattle penned. However, teams penning three cattle places higher than two, and two places higher than one, regardless of the number of cattle penned, or time. All cattle will be bunched on the cattle side of the starting line before time begins. Flagman will raise the flag to signal when arena is ready. Contestants must gallop across starting line immediately upon being given their cattle penning number by the announcer. Riders are committed once they enter the arena. Any delay will be a disqualification. Time is when any rider crosses the starting line. When the first 5 times are established, the time limit will then become progressive. To call for time, one rider must ride in gate and raise a hand for the flag. However, time continues until all un-penned cattle are on the cattle side of the starting line, including assigned, but un-penned, cattle. Contact with the cattle by hands, hat, ropes, bats, romals or any other equipment is a disqualification. A team exhibiting any unnecessary roughness will be judged no time. No hazing with whips or ropes is allowed. Romals or reins may be swung or popped on chaps or horse. A team calling for time with any wrong-numbered cattle in pen will be judged no time. If more than 4 head of cattle are brought across the starting line, team will be judged no time. Once committed to the cattle, the team is completely responsible for their animals. It is the team's responsibility before working the cattle to pull up and call for judge's decision if, in their opinion, there is an injured or unusable animal in their numbered cattle. Once their cattle are worked, no excuses are accepted. If an animal leaves the arena, either over or through the fence, the team can either be disqualified for unnecessary roughness, or can be given time on their remaining cattle, depending on the judge's decision. In the event that an animal bearing a number other than the number that the team has drawn escapes from the arena and said number has not yet been used in that section, and in the opinion of the judge the animal cannot practically be returned to the arena immediately, the number on the escaped animal is removed from the draw, and work continues in that section to the next to the last team. The last team in that section, being the team, whose number was removed, would then be sent back to work last in the go-around. Should this situation occur more than once, the same procedure shall be followed in the event that the animal is, in the opinion of the judge, disabled. All contestants must wear a cowboy hat, long-sleeved shirt and boots or shoes must have a distinguishable heel. All members of a team must enter on the same entry form. In the event of a tie affecting the placing, each team will be allowed to pen one (1) numbered animal. Fastest time breaks the tie. All Judge's decisions are final!

AMADOR COUNTY FAIR HORSE SHOW RULES

CATTLE SORTING RULES:

LIMITED TO THE FIRST 30 TEAMS ENTERED - NO POST ENTRIES ALLOWED

Open to residents and producers of Amador and Calaveras County.

NO WAITING LIST

Horses may be cross-entered from other divisions. A team will consist of two (2) riders. One go. There shall be ten cows in the arena numbered 0 through 9 and two blank cows optional for a total of 12 cows at the beginning of a run. Single runs may have ten numbered cows 0-9. The start/foul line will be a 12 ft. opening between the two pens of equal size, approx. 50 to 60 ft. There will be 90 second time limit on each run with a 30 second warning. The cattle will be bunched in the center of the pen on the back wall before the run begins. Time begins when the nose of the first horse crosses the start/foul line and the judge drops the flag. The designated starting cattle number will be announced immediately after the flag drops. The team must sort the cattle in numerical order beginning with the designated starting number. A cow is considered sorted when the cow is completely across the start/foul line. If any part of a sorted cow re-crosses the start/foul line, the team will be disqualified. If any part of a cow that is out of numerical sequence crosses the start/foul line, the team will be disqualified. The team sorting the highest number of cattle in the fastest time wins. All ties will run a tie breaker run.

Singles sort ten cows with any one cow eligible to be a card sorted out of sequence without penalty. Any re-ride given by the judge will begin with the same sorted cattle in the sorted end of the arena and the same time on the clock as when the judge stopped the clock.

The judge may grant re-rides if one of the following events occurs

- A non-sorted cow escapes the arena.
- A cow's life or health is in jeopardy as determined by the judge.
- A cow becomes unidentifiable during the run, (i.e.: a number comes off)
- An official or mechanical error.

In the event of any of the above occurring, the team will have the option of the following. Accept as the number of cattle sorted at the occurrence, as the number of cattle sorted in the maximum time allowed (the team score). Ask immediately for a re-ride. If a team observes a cow that is injured, unworkable or unidentifiable, they may request the judge to replace the number before run begins. The Judge's decision is final. When the judge rules that a cow is injured, unworkable or unidentifiable before the run begins, the cow will be replaced or re-numbered. All previous times on the same herd will remain the same. All roughing calls will be made at the judge's discretion. All judge's decisions are final!!
